## POLICY & PROCEDURES- Junior Team Entry Form

ALL JUNIOR TEAM ENTRIES MUST BE SUBMITTED TO THE JUNIOR SECRETARY BY THE COMPLETION OF SATURDAY SEMI FINALS, (or by date stated by Junior Chairperson.)

- NO LATE ENTRIES WILL BE ACCEPTED.
- GRADING WILL BE DONE IN THE FIRST SEASON OF EACH YEAR.
  - Grading will consist of 3 rounds – points do not count for these rounds.
- OMISSION, ADDITION & TEAM CHANGES WILL BE ACCEPTED UP TO THE COMPLETION OF ROUND 2, & WILL BE ACTIVE FROM ROUND 4.
  - Additional teams entered at this time will enter the competition with 0 points allocated and no point score, and will be subject to grading.

Registration at the start of each season is a 2-part process

- To be eligible to register:
  - TEAMS MUST SUBMIT A COMPLETED “OFFICIAL” REGISTRATION FORM & ALL CLUBS must submit a completed “database” by the completion of Round 3.
  - All New Players in the Saturday Competition are to provide to the SBA Registrar or appointed person a copy of Birth Certificate or Birth Extract.

Failure will result in players treated as “unregistered”.

- ALL Under 8 & Under 10 Players are required to provide a copy of Birth Certificate.  
(For Further clarification please refer to our POLICY & PROCEDURES- AGE RESTRICTIONS.)

An official Registration is one, which is printed from the (completed) Club Data Base and then signed by each player.

### Note

- : Not all competitions are current; please check with the Junior Committee for current season Competitions
- : Teams playing out of their age group (playing up) are subject to normal competition rules such as Grading, Promotion & Relegation.
- : Teams are assessed on their ability, if a Team has a representative player don't assume that the team should be playing A or B Grade, there are many differences between representative players just like Domestic Players, some may be playing a lower North West Competition or may be a “Bench Warmer” in Division 2.
- : Our Objective should be to place teams in competitions they will be competitive in. “Competitive” does not mean they loose or win every week by large margins; they should have close game results for at least (approximately) ½ of the playing season. It's not all about winning Trophies or making up the numbers in our competition, it's about being “Competitive” and having FUN!
