

**SBA Policy and Indemnification
Under Age Players**

The Sunbury Basketball Association endorses the Victoria Junior Basketball Policy and Indemnification of Under Age Players.

The SBA and VJBL are conscious of its obligation to players and parents in the conduct of leagues or clubs under its control.

The SBA and VJBL adopt a principle that players should not generally play up more than one age group.

At the same time acknowledges that some players are physically capable of competing in the competitions more than one age group up, and therefore does not prohibit these players from joining and places no limit on when they may train or compete.

Parent or Guardian and Player should be aware that:

- Players playing up one or more age group will be consistently exposed to older and physically stronger athletes.

Indemnification

I acknowledge the SBA and VJBL's statements in relation to players playing more than one age group up, and have discussed with the club the circumstances under which my child will be playing, training and traveling. I acknowledge that there may be greater risk of injury as a result of my child playing in a more senior competition. Notwithstanding that greater risk, I consent to my child playing in those circumstances.

I indemnify the SBA, VJBL and clubs, against any law suit, action or demand for injury which my child or other person might otherwise have arising out of his/her involvement in playing the SBA or VJBL, which is attributable to the fact that he/she is playing up in one or more age groups, and release the SBA, VJBL and clubs from any law suit, action or demand which I might otherwise have but for signing this agreement.

Declaration to be completed in the presence of a Club Secretary or Delegate.
